# *The Grill Room Sommelier Selections*

*Available by the glass through the Coravin System.*

*A new device which allows our guests to enjoy our wines without committing to the whole bottle.*

*Coravin™ allows you to pour and enjoy fine wine without disturbing the natural aging process. The Coravin System keeps the cork in the bottle, utilizing a thin hollow needle and argon gas to preserve the wine and protect it from oxidation. Now you can explore fine wines by the glass whenever you like.*
